14 Please see the letter of the CCF at page 35 c/f. The CCF has indicated that in the notification already issued (p.21-23 c/f), the total area has been worked out as 266-10-0 while it actually works out to 236-50-0, and if the area of S.No.63 measuring 30-05-0 acres is added, then the total will be in order.

15 In view of the above, a draft addendum is placed below for approval.

of 226 Acres and 10 Guntas in the various S.Nos. indicated at Page 5 CF. But while putting up the draft Notification at the Secretariat, the branch has omitted to include survey No.63 covering an extent of 30 acres 5 guntas which has resulted in a discrepancy in the Government Orders issued at Page 25 CF. The Under Secretary and the Superintendent should have carefully scrutinised the draft Notification before putting up for approval. However, the corrigendum put up at Page (*)37 CF may be approved. The Case worker is warned to be careful in future.
